

## TopBraid EDG

- Bug fix: TBS-4782: Spreadsheet import failed when the target class had a property with a language-tagged sh:name or label.
- Bug fix: TBS-4760: Fixed a race condition with concurrent file imports.
- Bug fix: TBS-4784: Fixed an issue with interactive setup assigning roles.
- Bug fix: TBS-4717: Checking permissions on imported graphs that were unknown to EDG would prevent asset collection visibility.
